Al Tawhid-Ismael Raji Al-Faruqi 1992 If the concept of tawhid is central to Islam and everything Islamic, it is because of its centrality to existence and everything that exists. Indeed, Islamic science, whether religious, moral or natural is essentially a quest to discover the order underlying the variegated world of multiplicity. The work of al shahid, Dr. Ismail Raji Al-Faruqi on the subject of tawhid affords the reader not only a look on the axial doctrine of Islam, but also allows the reader to understand that doctrine from a number of different perspectives. In the endeavor to explain the simple truths of the doctrine of unity, Dr. al-Faruqi touches upon a broad spectrum of subjects, drawing elements from history, comparative religion, anthropology, philosophy, ethics, epistemology, archaeology, and other disciplines. As such, his concept of tawhid is rich in the depth of its erudition, abundant in its perception, and direct in its implications for life and thought. Indeed, it is perhaps this work more than any other that reflects the profound and original thought of Dr. al-Faruqi.

Books-In-Brief: Al-Tawhid (French Language)-Ismael Raji Al-Faruqi 2019-01-01 If the concept of tawhid is central to Islam and everything Islamic, it is because of its centrality to existence and everything that exists. Indeed, Islamic science, whether religious, moral or natural is essentially a quest to discover the order underlying the variegated world of multiplicity. The work of al shahid, Dr. Ismail Raji Al-Faruqi on the subject of tawhid affords the reader not only a look on the axial doctrine of Islam, but also allows the reader to understand that doctrine from a number of different perspectives. In the endeavor to explain the simple truths of the doctrine of unity, Dr. al-Faruqi touches upon a broad spectrum of subjects, drawing elements from history, comparative religion, anthropology, philosophy, ethics, epistemology, archaeology, and other disciplines. As such, his concept of tawhid is rich in the depth of its erudition, abundant in its perception, and direct in its implications for life and thought. Indeed, it is perhaps this work more than any other that reflects the profound and original thought of Dr. al-Faruqi.

The Fundamentals of Tawheed (Islamic Monotheism)-Abu Ameenah Bilaal Philips 1994-01-01 This book provided by Islamkotob.com as public domain book to share Islamic knowledge. Kitab Al Tawheed-Michael Mumisa 2012-07 The 'Book of Divine Unity' is a book of traditions which deals with the subject of existence and the nature of God, including His names and attributes, and His actions. This text is an English language translation of the book.

Druze and their Faith in Tawhid-Anis Obeid
Tawhid - Ismail Raii Al Farugi 1989-06

Salafi-Jihadism - Shiraz Maher 2016-11-01 No topic has captured the public imagination of late quite so dramatically as the specter of global jihadism. While much has been said about the way jihadists behave, their ideology remains poorly understood. As the Levant has imploded and millenarian radicals claim to have revived a Caliphate based on the teachings of the Prophet Mohammed, the need for a nuanced and accurate understanding of jihadist beliefs has never been greater. Shiraz Maher charts the intellectual underpinnings of salafi-jihadism from its origins in the mountains of the Hindu Kush to the jihadist insurgencies of the 1990s and the 9/11 wars. What emerges is the story of a pragmatic but resilient warrior doctrine that often struggles - as so many utopian ideologies do - to consolidate the idealism of theory with the reality of practice. His ground-breaking introduction to salafi-jihadism recalibrates our understanding of the ideas underpinning one of the most destructive political philosophies of our time by assessing classical works from Islamic antiquity alongside those of contemporary ideologues. Packed with refreshing and provocative insights, Maher explains how war and insecurity engendered one of the most significant socio-religious movements of the modern era.

Infamies of the Soul and Their Treatments - Abu Abd al-Rahman al-Sulami 2018-11-12 Infamies of the soul ('Uyūb al-nafs) is one of Islam’s earliest comprehensive theories for the purification of the soul. In this short guide, the hadith narrator, Shafi'i legist, and historian of the early sufis, Imam Abū 'Abd al-Rahmān al-Sulami, presents sixty-nine wicked traits and habits of the soul, including anger, laziness, negligence, self-pity, envy, avarice, lying, and pride. Each infamy is described with its common causes and treatments, usually with relevant Prophetic narrations and statements from early Muslim sages. These infamies incline the soul towards evil and self-reproach. Treating them restores its serenity and certainty. With this translation, English readers can now benefit from the simplicity and practicality of Imam al-Sulami’s classic self-help manual that Arabic readers have utilized for the past millennium.

Meta-Science of Tawhid - Masudul Alam Choudhury 2019-07-23 This book explores the methodological foundation of Islamic thought premised on the cardinal principle of Tawhid, meaning the Oneness of God as the universal law. The consequential methodological worldview arising from the monotheistic unity of knowledge is explained as the theory of consilience, meaning unity of knowledge as the primal ontological reality leading to its epistemological and phenomenological essentials of reasoning and thereby configuring reality. Masudul Alam Choudhury presents a non-mathematical exposition of the theory and applications of Meta-Science of Tawhid, and brings out the essential monotheistic methodological worldview of science.

Al-Tawhid and Its Social Implications - Ayatullah Sayyid Ali Khamene'i 2014-04-24 This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. You may read this book carefully and should you be interested to have further study on such publications you can contact us through www.shia.es Naturally, if we find you to be a keen and energetic reader we shall give you a deserving response in sending you some other publications of this Organization.

Kitab At-Tawheed Explained - Muḥammad ibn ‘Abd al-Wahhāb 2000

Al-Tawhid and Its Social Implications - Sayyid Ali Khamenei 2014-02-24 This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. You may read this book carefully and should you be interested to have further study on such publications you can contact us through www.shia.es Naturally, if we find you to be a keen and energetic reader we shall give you a deserving response in sending you some other publications of this Organization.

The Meaning of the Kalimah Al-Tawheed -
Toward Islamic English- Isma'il R. Al-Faruqi
1986-01-01 This book is an invaluable manual for researchers, authors, scholars, and others interested in Islamic literature, culture, and civilization. It is an attempt to clarify terms, phrases, words, and concepts who means have become distorted due to faulty translations and transliterations. Dr. Al-Faruqi states that, "in modern times, the English language stands in need of the precepts and values of Islam which only the Qur'anic language can provide. Constant use of the arabic form will help shield the English-speaking Muslims from the onslaught of materialism, utilitarianism, skepticism... and hedonism, that in the last two hundred years, have become firmly established in the English consciousness."

A Thematic Commentary on the Qur'an- Muḥammad Ghazali
2000 In a multi-faith world, Islam is widely regarded as dogmatic and exclusivist. Yet in the Qur'an we have a great and worthy example of how to live in diversity, of powerful scriptural tenets that lend themselves precisely to engagement with those of other faiths. As such Islam has much to add to the debate on Religious Pluralism. For Muslims the issue is a delicate one. Aside from being tolerant and respectful of other faiths, advocating freedom of faith, and peaceful coexistence for all humanity, Muslims have to intellectually engage on matters of religious truth whilst defending the validity of their own Islamic tenets. This study is focused on the Qur'anic text. It explores the Qur'anic conception of normative religious pluralism with a view to providing answers to questions such as whether the Qur'an itself regards normative religious pluralism as a value system or simply a method through which the Qur'anic world view can be actualized. In doing so the author corrects some highly controversial misquoted, mistranslated, and/or quoted out of context verses of the Qur'an, including the so-called verse of the sword and the perception of not taking non-Muslims as friends. In reality, the Qur'an calls for freedom of faith and peaceful coexistence, but condemns oppression, religious persecution, and those who initiate hostilities. In this way it not only invokes human dignity, but restores it when it is violated.

Living With Genuine Tawhid- Yamina Bouguenaya
2016-12-19 Yamina Bouguenaya's Living with Genuine Tawhid brings us to the heart of Islam, the living art of surrendering to the will of God. Familiar terms and concepts are revealed in a new light and take on deeper relevance in our lives. This book will show how the different parts of the Quranic message fit together. Yamina reawakens the meaning of utterances so familiar they often bypass our hearts even as they roll fluidly off our tongues. La ilaha illallah. There is no god but God. What does it mean? Why is it repeated so often in the Quran and in worship? Yamina returns us to these basics, and stays there, allowing their profound implications to seep in. At a time when religion is often rendered -and even propagated-as ideology, as a fundamentally historical and political phenomenon, or merely as a source of social identity, Yamina's work reminds us that Islam is, in truth, a refreshing and healing way of being in this world, and beyond-a way of being from which we have much to learn, for which we have much to hope.
Kitaab At-tawheed/ The Book of Tawheed-
Muhammad Ibn Abdul-wahhaab 2017-04-16
Probably this is the most read book of today on
Islamic belief regarding monotheism. It is a book
authored on clarifying the reality of Monotheism
and the different types of polytheistic beliefs and
practices, the author suffices himself to
mentioning the relevant Ayaat, Ahaadeeth and
statements of the Salaf under each chapter and
then mentions the benefits derived from them.
The purpose of this course is to explain this
famous book in an easy and simple way so that
Muslims from every walk of life can understand
the correct Islamic 'Aqeedah, and can save
themselves, their family and friends from the Fire
of Hell.

Al-Tawhid and Its Social Implications- Sayyid
'ali Khamene'i 2014-10-15 This book is one of
the many Islamic publications distributed by Talee
throughout the world in different languages with
the aim of conveying the message of Islam to the
people of the world. Talee (www.talee.org) is a
registered Organization that operates and is
sustained through collaborative efforts of
volunteers in many countries around the world,
and it welcomes your involvement and support.
Its objectives are numerous, yet its main goal is
to spread the truth about the Islamic faith in
general and the Shi’ a School of Thought in
particular due to the latter being misrepresented,
misunderstood and its tenets often assaulted by
many ignorant folks, Muslims and non-
Muslims. Organization's purpose is to facilitate
the dissemination of knowledge through a global
medium, the Internet, to locations where such
resources are not commonly or easily accessible
or are resented, resisted and fought! In addition,
Talee aims at encouraging scholarship, research
and enquiry through the use of technological
facilitates. For a complete list of our published
books please refer to our website
(www.talee.org) or send us an email to
info@talee.org

Historical Atlas of the Religions of the
World- Isma‘il Ragi A. al Faruqi 1974
Illustrated historical and geographical atlas of the locales
and dispersion of the world's religions, ancient and modern.

The American Journal of Islamic Social

Repercussions of the Kalam in Jewish
Philosophy- Harry Austryn Wolfson 1979
In his monumental Philosophy of the Kalam the late
Harry Wolfson--truly the most accomplished
historian of philosophy in our century--examined...
the early medieval system of Islamic philosophy. He studies its repercussions in Jewish thought in this companion book—an indispensable work for all students of Jewish and Islamic traditions. Wolfson believed that ideas are contagious, but that for beliefs to catch on from one tradition to another the recipients must be predisposed, susceptible. Thus he is concerned here not so much with the influence of Islamic ideas as with Jewish elaboration, adaptation, qualification, and criticism of them. To this end he examines passages reflecting Kalam views by a wide variety of Jewish thinkers, including IsaacIsraeli, JudahHalevi, Abraham ibn Ezra, and Maimonides. As always in Wolfson's work, two aspects are apparent: the special dimensions of Jewish thought as well as its relation to other traditions. And as always his prose is both graceful and precise.

Islam Among Urban Blacks-Michael Nash 2008 This book examines the evolution of Muslim community development in Newark, New Jersey. It is an historical account of the efforts of a diverse community that over several decades grappled with the challenge of establishing a respected place for their Islamic lifestyle within the United States. Further, it is a story linked closely to the experience of African Americans who have claimed Islam as their religion and struggled to create and to maintain an identity in the social fabric of Newark's twentieth-century Black religious culture. The complexities of race, identity, inter-religious and intra-religious relations are the four central themes explored.

The Light Within Islam (Fixed Layout)-Basel Muhammad Arif Al-Mahayni 2019-01-01 This book is a humble attempt to help settle some of the common doubts and misconceptions people have about the great religion of Islam. A religion that has captured the hearts of hundreds of millions of people around the world and answered their questions about the unseen. It is hoped that, with the simple explanation of the topics in this book, I can reach the inner conscience of all brothers and sisters in humanity and show them the truth about the final religion that has been revealed to mankind.

Kitab Al Tawhid-Muhammad ibn ’Abd al-Wahhab 2005

100 Great Muslim Leaders of the 20th Century- 2005 Brief biography of world famous Muslim leaders.

Islam and the Modern Age- 2003

The Ummah Pan-Islamism and Muslim Nation-states-Ishiyaque Danish 2001

Tawhid and Shari’ah-Masudul Alam Choudhury

The Caliphate at War-Ahmed S. Hashim 2018-01-19 The military victories of the Islamic State have completely overturned the geopolitical map of the Middle East. Media attention has focused almost exclusively on Islamic State's savage treatment of its enemies and its ability to attract foreign fighters. In 2011, the first effort to build an Islamic State in Iraq was defeated by US and Iraqi forces. The second attempt to establish themselves, beginning in 2014, has been considerably more successful and that success calls for deeper investigation. In order to explain the successes of Islamic State, The Caliphate at War brings together a dispassionate and objective account of the significant innovations in insurgency, ideology, and governance. By focusing their ideology first and foremost on extreme anti-Shia sectarianism - rather than on Western "infidels" - the Islamic State's founders are able to present themselves as the saviors of what they see as the embattled Sunni "nation" in Iraq. Its success in taking and holding major cities, including Mosul, demonstrates its innovative tactics and skill at exploiting tribal and sectarian rivalries. By going beyond the often starkly unpleasant current affairs of the Islamic State, The Caliphate at War undertakes an essential investigation into the successes of the group, to better understand how the movement is surviving, thriving, and reshaping the Middle East.

<td>This volume investigates the nature and changing roles of the non-state armed groups in the Middle East with a special focus on Kurdish, Shia and Islamic State groups. To understand the nature of transformation in the Middle Eastern geopolitical space, it provides new empirical and analytical insights into the impact of three prominent actors, namely ISIS, YPG and Shia Militias. With its distinctive detailed and multi-faceted analyses, it offers new findings on the changing contours of sovereignty, geopolitics and ideology, particularly after the Arab Uprisings. Overall this volume contributes to the study of violent geopolitics, critical security studies and international relations particularly by exploring the ideologies and strategies of the new non-state armed actors.</td>
